Is a little thing, but a dollar is only an aggregation of pennies and without the penny there is no dollars. Fortunes are founded pennies, hence the proverb, TAKE CARE OF THE PENNIES AND THE POUNDS WILL TAKEC ARE OF THEMSELVES. This brings us to the point we want to make.

OUR PRICES ARE A LITTLE LOWER THAN ANY OTHERS. Only a few pennies, perhaps, but always something lower.

In the Aggregate TVE SAVE YOU DOLLARS. Think the matter over and remember that "Many a Mikele Makes a Muckle." It's as Easy as Lying to claim absolute superiority in goods and prices over all competitors, but LYING CAN'T LAST, it's brazen cheek will crack at last, it's oily tongue will rust on it's hinges. In the end Truth will get the Lyin's Share of Business: we have won our laurels honestly as truth tellers and are now daily presenting our great original act of

TRUTH TWISTING THE LYIN'S TALE.

We have a clean record as Bargain Makers, who do as we say, if we say we are offering Dollar Values for 75 Cents, you can rely on the fact you are 25 cents ahead on every dollar deal with us. Our stock! Yes it is immense.

Composing everything in GROCERIES, QUEENSWARE, GLASSWARE, LAMPS, HARDWARE, TINWARE. STOVES and FARM TOOLS, on which we owe no man a dollar; bought for spot cash, and for sale on your promise to pay? No! But for SPOT CASH. Buy what you need and no more. Pay for what you get and not for your neighbor's promise to pay. Leave your cash where it will do you the most good.
